

TRAINING

Providing Best-In-Class training programs, our courses are developed and delivered by former military water purification subject matter experts who provide skillful knowledge to our clients. Our worldwide training is targeted to all users of TECWAR® systems, and our goal is to empower all students to succeed at producing potable water.

At the conclusion of the hands-on training, students are required to show competency in:

- Site Selection
- Basic Water Reconnaissance
- Water Quality Analysis
- Set-Up/Dismantle & Storage
- Production of Potable Water
- Storage & Distribution of Potable Water
- Basic Maintenance
- Troubleshooting
- Repair and Follow-on Operations.

BEST - IN - CLASS TRAINING PROGRAMS

TRAINING COURSE COSTS BASED ON THE FOLLOWING CRITERIA:

- Hours of instruction
- Training materials
- Class size
- Travel fees and Per Diem Rates

TECWAR® offers many types of training packages to fit the needs of the operators.
